To Whom It May Concern:

Richard Ryder performed for our annual event, SunBears Weekend 2008, this past weekend November 13-16, 2008.

Richard made an instant connection with our crowd, was funny and hilarious, and thoroughly entertained everyone.

He has a special insight into gauging an audience and tailoring his act to their perspective.

We highly recommend him for any event, great or small, and look forward to having him perform for us again in the future.

Respectfully yours,

Jeff Rosenfeld
Chairman
